## **Regulations for Northern Sale held under the Auspices of the Ryeland Flock Book Society Ltd**

1. The sale will be as per the order of sale page. All lots will be sold in guineas.
2. All animals must be earmarked in accordance with the Society's regulations. Each animal presented for sale must be stenciled or paint marked with the appropriate lot number before it is presented for inspection.
3. Any error of description in the catalogue will be notified and announced by the Auctioneer at the time of the sale.
4. Rosettes for the following: Champion, Reserve Champion, First, Second, Third, Fourth and Special Prizes.
5. Rams must be haltered during judging and the purchaser of each animal must be supplied with a halter by the vendor.
6. Vendors must provide food for their sheep and wood chips or shavings for the pens.
7. Breeders are responsible for the registration of all entries in the Society's Flock Book. There will be no refund of the registration if the animal is unsold and subsequently butchered.
8. Vendors should notify reserve prices to the Auctioneers prior to the commencement of the sale. Animals for which no notification has been given will be presumed for sale without reserve. **The upset price for ram lambs and shearling rams is 100 guineas.** It is the responsibility of the vendor to set a reserve price if they wish to ensure that their animals are sold for breeding purposes.
9. Certificates of Pedigree for all sheep will be posted to purchasers after the sale. Certificates for lots unsold will be returned to the vendor.
10. Vendors shall ensure that each entry is adequately prepared for sale.
11. No sheep are to be penned before they are inspected by a steward appointed by the Council - they have the authority of the Council to reject unhealthy or sub-standard sheep. Vendors of sheep rejected by the inspectors have the right of appeal to the Show Appeals Committee. The decision of the Show Appeals Committee is final. Rejected sheep cannot be offered for sale. They will be identified with a red paint mark at the base of the neck and removed from the sale pens.
12. All animals entered or exposed for sale must be the bona fide property of the vendor at the time of entry to the sale and be free of liens, charges, and incumbents.
13. Each animal forward at the sale must be exposed for sale by auction before any private sale shall be permitted or recognised by the Auctioneers.
14. All animals must be forward for sale unless covered by a veterinary certificate.
15. All trophies won will be presented by the judge at the time of winning. All trophies to be returned to the Secretary with four weeks of the following year's sale, or at the specific request of the Society. Any animal not sold when a reasonable bid is offered will forfeit any trophies awarded.
16. All members presenting sheep for sale must have adequate public liability insurance
17. A commission of 5% will be charged by the auctioneers on all sales.

**Additional Guidelines re Substitutions:**

- i) Substitutions are strictly only allowed to replace animals that have been taken ill, are injured, or have died.
- ii) The Secretary must be notified as soon as possible. The pedigree certificate of the substitute must be forwarded to the office if time allows, or handed to the Secretary on the morning of the sale.
- iii) The breeder can self certify ill health of the sheep or provide photographic evidence of the animal's injury but the Society retains the right to insist on a veterinary certificate where deemed appropriate.
- iv) In the event of the death of an animal, the breeder must provide a copy of the certificate of disposal or other appropriate evidence to the Secretary as soon as is practicably possible.
- v) A sheep may be substituted for an original entry provided that any substitution is a sheep in the same class.
- vi) The substitute must be clearly marked with a yellow dot at the base of the neck, at least one inch in diameter.
- vii) The substitute's pen must be clearly marked and include details of the animal's dam, sire, grand dam and grand sire clearly available for potential purchasers to see.
- xiii) The Auctioneers must be informed of the change so that a clear announcement can be made when the substitute animal enters the sale ring.

***It is the Vendor's responsibility to ensure that all ear tag numbers are correct and agree with the printed catalogue and RFBS registration details***

**Additional Information:****BIO-SECURITY.**

Intending purchasers are requested to have livestock vehicles cleansed and disinfected and have waterproofs and wellington boots when coming into contact with livestock.

**MOVEMENT LICENSES**

Market Holding Number: 48/140/8000

Intending Purchasers should have their CPH number ready to supply the Auctioneers, so that the correct movement license may be issued before departure from the market.

Vendors and purchasers must comply with current DEFRA regulations for Animal Movements in force at the time of the Sale.

All licenses will be collected by stewards at the entrance to the market. No vehicles will be allowed in until this requirement has been met.

No sheep will be allowed to depart from the market without a license from the auctioneers office.

**REFRESHMENTS**

The market cafe will be open until 5.00 pm on the day preceding the sale and from 7.00am until 4.00pm on sale day.

## Important Information for Vendors

# **SHEEP MUST BE PENNED BY 8.30AM**

- **Sheep must be in their allotted pens by 8.30am on the day of sale. Inspections will be carried out by the Society's approved inspectors before 8.30am on the morning of the Sale. Animals not penned by this time will not be inspected, so cannot be offered for sale. Inspectors also reserve the right to refuse to inspect animals not clearly paint marked with their lot numbers.**
- In endorsing your sheep for sale, the RFBS must be confident that they are fit for purpose and correctly marked. Before being offered for sale, **ALL** sheep will be inspected to ensure that they fulfil **ALL** of the following criteria:
  1. They are correctly tagged or tattooed in accordance with DEFRA **and** RFBS regulations. Ear tag numbers **MUST** match the details listed in the catalogue and on the animal's pedigree certificate.
  2. They are fit for the purpose of breeding i.e. Their teeth are correctly positioned, Rams have 2 evenly sized testicles, females have an udder free from lumps and that all sheep are free from disease and in a good bodily condition.
  3. They are legibly paint marked with their catalogue Lot number
  4. The length of the tail must comply with the DEFRA animal welfare regulations 2008.
- Entries that are deemed by the society inspectors to have not met all of these criteria will be omitted from the sale. These sheep will be marked with a red dot at the base of the neck and will be kept apart from those sheep offered for sale.
- Vendors are asked to make every effort to arrive as early as possible. Stewards will be in the market to assist you from 7.00am. Sheep may also be brought into the market between 3pm - 6pm on Friday 1<sup>st</sup> September.
- The decisions made by the Society Inspectors must be respected and will, in almost every case, be upheld. However in the event of an animal being rejected the vendor may appeal against the decision. The decision of the Appeals Committee is final.
- Substitute entries must be marked with a yellow dot at the base of the neck
- It is the responsibility of the vendor to supply any additional information on the pens of individual entries.
- Vendors who wish to place reserves on lots offered for sale must lodge them with the auctioneers office before the auction begins.
- It is the responsibility of vendors to ensure that they have adequate public liability insurance.
- Vendors are advised to bring plenty of bedding for the pens
- Show classes will start at 10.00am prompt. The start **WILL NOT** be delayed for late arrivals.
- The sale will begin at 12 noon. Strict catalogue order.
